Dear Mr. Jacobs:

I'd like to personally thank Edge Point for the unclaimed recovery which was unexpected. Today my office received a check in the amount of \$18,807.03. I've come to realize that this refund has been owed for several years. If it wasn't for Edge Point we would have never known about a refund such as this.

I'm here to vouch for your credibility and honesty throughout the matter.

Thank you,

Dennis Vishnevskiy
